Crossroads: A Reader for Psychosocial Occupational Therapy

Anne K. Briggs, M.S., OTR,
Alice R. Agrin, Ed.M., OTR, Editors.

"It is the intent of the editors of this book that it be used as a reference and resource for students, educators, and practitioners. This compilation of 34 articles relevant to psychosocial occupational therapy practice . . . is highly recommended to educators to use with their students in understanding the many facets of psychosocial occupational therapy, and to clinicians to review, compare with, and to integrate into their current practice."
